

**FAMIGLIA SALESIANA**  
VIA MARSALA, 42 - 00185 ROMA

Roma, 10 december 2021

### **To those registered for the Salesian Family Spirituality Days 2022**

Dear brothers and sisters of the Salesian Family:

Warm greetings to all of you through this communication about the Salesian Family Spirituality Days, the preparation of which is being carried out with the collaboration of different groups involved.

This mail is addressed to all those registered, it means that, if you receive it, your registration to participate in PRESENCE IN VALDOCCO has been accepted and we will see each other in the house of Don Bosco. We will be about 200 people and this will allow us to live a beautiful world family experience.

We want to prepare well all the moments and that is why we want to inform you about some novelties that we will have this year in the Days.

#### **1.- ORGANISATION of the GSFS 2022**

The GSFS in Valdocco will be lived at three levels:

**1.1.- World** - We will have moments in which from Valdocco we will connect with the world level. This means that from 13:00 to 15:00 from the Valdocco Theatre we will participate at this level. The Rector Major and other world leaders of the different groups of the SF will be with us at all times.

**1.2.- Regional** - Each day we will have the possibility to join our region of belonging at the proposed time. From 17.30 to 19.30 hours distributed in the different places where we will participate at this level.

**1.3.- Valdocco** - The rest of the events will take place in Valdocco: Eucharist, visits to the museum, inauguration of the exhibition of St. Sales, rosary, adoration, good night... at the times explained on the first day. You will find the programme at the end of this letter.

## 2.- GREEN PASS

We remind you that you can participate in the Salesian Family Spirituality Days with the green certificate valid for all days. On the day of arrival we will ask you for the green pass and we will measure the temperature of everyone.

## 3.- PREPARATION OF SOME MOMENTS

We would like to ask for your collaboration to prepare some moments of the JEFS and for this we anticipate you.

**3.1.- Translations.** We ask you to bring your headphones for the translations of the different interventions. We will provide most of the translated texts. We will have translations in five languages: Italian, Spanish, English, Portuguese and French.

**3.2.- Saturday evening.** On the 15th, after dinner, we will have a family evening coordinated by a group of young people. We invite you to prepare a well-prepared musical or artistic performance, 5 to 7 minutes long.

**3.3.- Meeting by groups of origin / belonging.** On Sunday morning we will have a meeting by groups either of origin or of belonging. This will be an opportunity to prepare for the return to the provinces, the experience and the dissemination of GSFS2022.

## 4.- SALESIAN PREPARATION

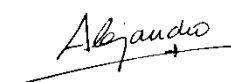

Dear brothers and sisters, all these elements are important to be able to experience the Days well, but it is even more important to prepare our hearts for the encounter with the people, with Don Bosco and Mary Help of Christians. It is a real gift to be able to celebrate these Days in Valdocco and to enjoy the Salesian house together. I invite you to also prepare with prayer these days of coexistence, enrichment, Salesian charismatic renewal and family spirit.

We have created a Valdocco team to prepare a Salesian, family and world experience. We want you to feel at home. We are at your disposal. If you have any questions, or if there is any change in your registration, you can write to [aguevara@sdb.org](mailto:aguevara@sdb.org) and we will answer you as soon as possible. We are waiting for you.

That's all for now. We hope, then, that you will receive a warm welcome at Don Bosco.

Delegato del RM para la FS

Coordinatore delle GSFS
